

Riker Danzig Honored with Litigation Department of the Year

The *New Jersey Law Journal* has awarded Riker Danzig the “Litigation Department of the Year” award for our outstanding litigation practice. As the *Law Journal* noted, “New Jersey is home to a number of formidable litigators and litigation practices. Standing out is no easy task.”

The contest had two distinct portions: a general contest to award the top department in general litigation, as well as a contest to acknowledge specialty practice departments. Riker Danzig was selected in the Midsized Firm category among all New Jersey law firms, based on the impressive work we did for our clients over the past year.

We are honored to have been singled out for this award, and very proud of the work on behalf of our clients by our dedicated attorneys, paralegals and staff. We look forward to celebrating the honor at the New Jersey Legal Awards on June 20th.
